sician or other authorized individual professional provider, or other authorized provider for covered services. The CHAMPVA-allowable amount is determined prior to cost sharing and the application of deductibles and/or other health insurance.

(2) A Medicare-participating hospital must accept the CHAMPVA-determined allowable amount for inpatient services as payment-in-full. (Reference 42 CFR parts 489 and 1003).

(3) An authorized provider of covered medical services or supplies must accept the CHAMPVA-determined allowable amount as payment-in-full.

§ 17.274 Cost sharing.

(a) With the exception of services obtained through VA medical facilities, CHAMPVA is a cost-sharing program in which the cost of covered services is shared with the beneficiary. In addition to the beneficiary cost share, an

§ 17.275

annual (calendar year) outpatient deductible requirement (\$50 per beneficiary or \$100 per family) must be satisfied prior to the payment of outpatient benefits. There is no deductible for inpatient services. CHAMPVA pays the CHAMPVA-determined allowable amount less the deductible, if applicable, and less the beneficiary cost share. To provide financial protection against the impact of a long-term illness or injury, an annual cost limit or “catastrophic cap” has been placed on the beneficiary cost-share amount for covered services and supplies. This annual cap on cost sharing is \$7,500 per CHAMPVA-eligible family. Credits to the annual catastrophic cap are limited to the applied annual deductible(s) and the beneficiary cost-share amount. Costs above the CHAMPVA-allowable amount, as well as costs associated with noncovered services are not credited to the catastrophic cap computation.

(b) If the CHAMPVA benefit payment is under \$1.00, payment will not be issued. Catastrophic cap and deductible will, however, be credited.

§ 17.275 Claim filing deadline.

(a) Unless an exception is granted under paragraph (b) of this section, claims for medical services and supplies must be filed with the Center no later than:

(1) One year after the date of service; or

(2) In the case of inpatient care, one year after the date of discharge; or

(3) In the case of retroactive approval for medical services/supplies, 180 days following beneficiary notification of authorization; or

(4) In the case of retroactive approval of CHAMPVA eligibility, 180 days following notification to the beneficiary of authorization for services occurring on or after the date of first eligibility.

(b) Requests for an exception to the claim filing deadline must be submitted, in writing, to the Center and include a complete explanation of the circumstances resulting in late filing along with all available supporting documentation. Each request for an exception to the claim filing deadline will be reviewed individually and con-

sidered on its own merit. The Center Director may grant exceptions to the requirements in paragraph (a) if he or she determines that there was good cause for missing the filing deadline. For example, when dual coverage exists CHAMPVA payment, if any, cannot be determined until after the primary insurance carrier has adjudicated the claim. In such circumstances an exception may be granted provided that the delay on the part of the primary insurance carrier is not attributable to the beneficiary. Delays due to provider billing procedures do not constitute a valid basis for an exception.

§ 17.276 Appeal/review process.

Notice of the initial determination regarding payment of CHAMPVA benefits will be provided to the beneficiary on a CHAMPVA Explanation of Benefits (EOB) form. The EOB form is generated by the CHAMPVA automated payment processing system. If a beneficiary disagrees with the determination concerning covered services or calculation of benefits, he or she may request reconsideration. Such requests must be submitted to the Center in writing within one year of the date of the initial determination. The request must state why the beneficiary believes the decision is in error and must include any new and relevant information not previously considered. Any request for reconsideration that does not identify the reason for dispute will be returned to the claimant without further consideration. After reviewing the claim and any relevant supporting documentation, a CHAMPVA benefits advisor will issue a written determination to the beneficiary that affirms, reverses or modifies the previous decision. If the beneficiary is still dissatisfied, within 90 days of the date of the decision he or she may make a written request for review by the Center Director. The Director will review the claim, and any relevant supporting documentation, and issue a decision in writing that affirms, reverses or modifies the previous decision. The decision of the Director with respect to benefit coverage and computation of benefits is final.
